DOOR SERVICES

DOORSERVICES.CA

Doors, hardware and entry systems, installed right across Alberta.

One crew for the whole opening: the door and frame, the hardware on it, the operator that opens it and the access control that decides who gets through.

14 SERVICES 33 ALBERTA COMMUNITIES 50+ BRAND LINES COMMERCIAL · RESIDENTIAL

What we do

SUPPLY · INSTALL · SERVICE

01 **Door installation**

Supply and install for homes and commercial buildings, with the frame, hardware and trim done in the same visit.

Prehung & slab | Hollow metal | Fire-rated | Old door removed

02 **Commercial doors**

Hollow metal, storefront and fire-rated doors for offices, retail, schools, healthcare and industrial buildings.

Storefront | Exit devices | Continuous hinges | Multi-site maintenance

03 **Automatic doors**

Sliding and swing automatic doors and barrier-free operators: supplied, installed, repaired and maintained.

Sliding & swing | Low-energy operators | Push buttons | Sensors

04 **Door hardware**

Commercial-grade hardware from Allegion, ASSA ABLOY, dormakaba and other major lines, set up and tested.

Closers | Panic bars | Mortise locks | Electric strikes | Seals

05 **Access control & electronic locks**

Keypads, card and mobile credentials, and networked access control for offices, multi-unit and commercial buildings.

Card & mobile | Wireless locks | Readers & controllers | Maglocks

06 **Accessible washroom door kits**

Barrier-free washroom kits: automatic operator, electrified lock, push buttons, occupied indicator and staff override.

Push to open | Push to lock | Occupied light | Emergency override

07 **Traka key management**

Intelligent key cabinets and lockers that control and record who takes which keys and assets, and when.

Key cabinets | Asset lockers | PIN & biometric | Audit reports

08 **Locks & rekeying**

Deadbolts, levers, high-security cylinders, rekeying and master key systems for homes and businesses.

Rekeying | Master keys | Restricted keyways | Interchangeable cores

Site security & more

SERVICES 09–14

09 Automatic vehicle gates NEW

Slide, swing and barrier-arm gates for parking lots, yards and secured sites, tied into your access control.

Slide & swing · Barrier arms · Safety loops · Intercom & card entry

10 Pedestrian turnstiles NEW

Optical, waist-high and full-height turnstiles and speed gates that let one authorized person through at a time.

Speed gates · Full-height · Barrier-free lanes · Reader integration

11 Perimeter detection NEW

Fence, beam and ground sensors that flag an intrusion at the property line, before anyone reaches a door.

Fence sensors · IR & microwave beams · Zoned alarms · Camera tie-in

12 Entry doors

Steel, fibreglass and wood entry doors repaired or replaced, sealed and weatherstripped for an Alberta winter.

Replacement · Weatherstripping · Thresholds · Smart locks

13 Interior doors

Interior, closet, pocket and barn doors installed or fixed, including hollow-core to solid-core upgrades.

Prehung & slab · Solid-core upgrades · Pocket & barn · Trim

14 Garage doors

Springs, cables, rollers and openers repaired, plus new insulated garage doors installed.

Springs & cables · Openers · Tune-ups · Insulated doors
